

## National Alliance for Law Enforcement Support

Thank you for your interest in the National Alliance for Law Enforcement Support's volunteer program. By working hand-in-hand with community members, we can improve communications with residents, enhance the quality of life for law enforcement families, and create a stronger voice for law enforcement within the community.

There are many different reasons to volunteer - some people may enjoy the camaraderie of working with others who want to assist in giving back to the community, while others want to make a difference and have a positive impact on their community.

By joining our volunteer program, you join an outstanding team of family members all dedicated to assisting LEO families.
